

FREEDOM VILLAGE LAKESIDE

UNINCORPORATED PALM BEACH COUNTY, FLORIDA

Freedom Village is a 43-acre adult/retirement health care community developed by Classic Residences by Hyatt. Facilities include a 754 unit congregate living facility, villa apartments and a 60 bed nursing home. Urban Design Kilday Studios provided a full range of zoning, site planning and landscape services.

As part of the development approval, UDKS worked closely with the Palm Beach County Department of Environmental Resources Management to inventory and analyze the existing scrub habitat on site and preserve significant vegetation in the site layout. Kilday also worked with the adjacent neighborhood to develop landscape plans to buffer and screen the proposed development.

UDKS also prepared the final landscape and hardscape plans, including entry signage, decorative paving and courtyard areas. Existing vegetation was utilized to the greatest extent possible and new plantings incorporate native and drought tolerant material. The project was completed in 1997.

Client: Hyatt Senior Living Services

Site Area: 43 acres
