KEY STAFF RESUME

ANNE BOOTH

Principal

Paloma
 Palm Beach Gardens, Florida

PROFESSIONAL EXPERIENCE:

Ms. Booth has more than three decades of experience in land planning, governmental approval processing, zoning consultation and client representation. Ms. Booth has developed an expertise in planning, governmental approvals, and permitting which encompasses a wide variety of projects including large scale residential communities such as PGA National, BallenIsles Country Club, and Mirasol as well as non-residential projects such as Benjamin High School, Seacoast Utility Authority Water Treatment Facility, and the Palm Beach Gardens Medical Center. Ms. Booth has been engaged as a consultant by various private and public sector clients to provide planning services with extensive project experience in the City of Palm Beach Gardens.

A description of representative projects includes:

Mirasol Country Club - Governmental approval processing for a 2,304-acre residential master planned community which includes 2,144 dwelling units fire station, community park, commercial shopping center and clubhouse parcels for Taylor Woodrow Communities.

BallenIsles Country Club - Governmental approval processing, site planning and landscape architecture for 1,300-acre residential golf community for BallenIsles Development Company.

Seacoast Utility Authority Hood Road Water Treatment Plant - Governmental approval processing, site planning and landscape architecture for modification to allow relocation of elevated water storage tank, conversion of lime softening treatment plant to a membrane processing plant for Seacoast Utility Authority.

Paloma - Government approval processing for a 150-acre PUD consisting of single family and multi-family products for M/I Homes.

The Pointe/NOVA Southeastern University – 150,000 square foot office and satellite university campus. Site planning, landscape architecture, AIPP, graphics, permitting, project representation and governmental approvals for Page Group Commercial Real Estate and NOVA Southeastern University.
