Palm Beach County, Florida

CHRISTOPHER P. BARRY, AICP

Planning Project Manager

PROFESSIONAL EXPERIENCE:

While attending Florida Atlantic University, Mr. Barry completed an internship with the Palm Beach County Zoning Division where he assisted in a major rewrite of County's Land Development Code. Upon graduation with a Bachelor's Degree in Urban and Regional Planning, he accepted a position as a Zoning Division Site Planner with oversight of variance, special permit and subdivision applications. In late 2004, Mr. Barry joined the private sector as a Land Entitlement Project Manager with Centex Homes in Boynton Beach, FL where his responsibilities included overall project management of private residential development projects through entitlement approval processes.

Upon completion of his Masters Degree, Mr. Barry joined Jon E. Schmidt & Associates, Inc. in West Palm Beach, Florida in October 2006. As a Senior Planner, he led private and non-profit development projects through various approval processes. Mr. Barry was directly responsible for obtaining entitlement approvals for 2.1+ million square feet of commercial/industrial uses, 685,000+ square feet of civic/institutional uses and 200+ residential units.

Mr. Barry began working with Urban Design Kilday Studios in July 2013 as a project planner. With over nine years of professional planning experience in both the public and private sectors, Mr. Barry is a proven project manager with the ability to manage multiple projects and priorities simultaneously through prioritization and an efficient work ethic. He is well-versed in conducting professional and public presentations and in interacting with citizens and elected officials; site plan design and application preparation/processing; as well as contract and budget preparation. He has considerable expertise in the areas of Land Use Analysis, Code Analysis and Revision, Entitlements and Site Planning. He is proficient with Microsoft Office, Windows and Mac OS X.
