## KEY STAFF RESUME

### KIERAN KILDAY

Principal

City Place  
West Palm Beach, Florida

#### PROFESSIONAL EXPERIENCE:

Mr. Kilday began his career as a site planner with the Zoning Division of Palm Beach County in 1973, shortly after graduating college. In 1976, he became the County's Zoning Director, a position he held until 1978 when he left the County to begin a career in the private sector by founding his own landscape architecture, planning and zoning consultation firm, Kilday & Associates, Inc., in West Palm Beach. His firm offered a full range of professional services to private land owners, developers and governmental agencies for residential, commercial, industrial and civic uses. Projects ranged in size from small in-fill developments of under one acre to large thousand acre master planned developments. Mr. Kilday successfully represented many of these projects at community meetings and public hearings during the course of seeking their development approvals.

In addition, due to his years of experience, Mr. Kilday has provided expert witness testimony regarding zoning and planning issues on behalf of private property owners and public agencies. In 2008, Mr. Kilday and Mr. Ken Tuma of Urban Design Studio began their discussions of how their two 30 year old firms could combine to expand their depths of expertise and skills for their clients, culminating in the official merger on January 1, 2009.
