City Place  
West Palm Beach, Florida

## TANYA L. McCORMICK

Landscape Designer

### PROFESSIONAL EXPERIENCE:

Upon graduating from the University of Florida in 2009, Ms. McCormick had completed two internships with professional firms in Longwood, Florida and Asheville, North Carolina. In Longwood, Florida, she worked with Dix Lathrop and Associates on commercial landscape design, land-use planning, and large scale master planning producing marketing graphics, site plans, and construction documentation. In Asheville, North Carolina, she worked with Beau Welling Design, a multi-disciplinary firm specializing in golf course design, land planning, and landscape architecture. At Beau Welling Design she completed multiple watercolor marketing graphics and artistic renderings used in international publications.

With her prior experience and recently acquired B.S. in Landscape Architecture, Ms. McCormick accepted a position as a Landscape Designer with a firm based out of Nassau, Bahamas, Caribbean Landscapes, LLC. At Caribbean Landscapes, a design-build firm, she produced planting plans and construction documentation for a large-scale, high-end community project to include single- and multi-family house developments, as well as resort-style amenity features such as pools, a water park, marina, spa, and 18-hole golf course. In 2010, she accepted a position with ValleyCrest Companies in Orlando, Florida where she produced professional proposals for commercial and municipal landscape maintenance contracts. In 2012, she accepted a Landscape Designer position with Urban Design Kilday Studios in West Palm Beach, Florida. At UDKS, her responsibilities include preparation of master plans for development, landscape plans, and site plan graphics and marketing graphics.

Ms. McCormick is proficient in AutoCAD 2012, LandFX, Adobe Photoshop, Adobe InDesign, Adobe Illustrator, Acrobat Professional, SketchUp, Google Earth Pro, and all Microsoft Office Programs. She is also highly adept in watercolor and acrylic painting and rendering, drawing and illustration in pencil, ink and marker, and 3-D model building.
